VIA NIRONE 7 ALU CARBON MIRAGE

Via Nirone 7 Alu Carbon Mirage 10sp Compact.

Via Nirone 7 Alu Carbon new Mirage 10sp: uncontrollable passion

Via Nirone 7 Alu Carbon new Mirage 10sp: that is the name of your bosom bicycle to feel all the pleasure of riding a bicycle that has got a real style. If you are looking for the ideal ratio between stiffness and lightness of the structure, the team of engineers of Bianchi thought just about you. A high-tech Bianchi bicycle recommended for those who want to approach great cycling with good technical guarantees.

Once again, stiffness and lightness are the main characteristics of this high-performance bike. As for the frame, tube profiles are studied by Reparto Corse for the bicycles of champions.

The Via Nirone handles and is quick in turns and acceleration gives you a sense of security.

The geometry is relaxed, allowing the trunk not to bend too much. The legs comfortably push on the cranks. This bicycle gives you confidence both on the climb and on the descent: a strong fork; well-balanced front end; the possibility to turn without oversteering or stressing the brakes. The stability of the frame guarantees security. You needn't correct the direction, so you can just have fun. You can easily change the direction without pushing excessively on the handlebars. That is really an extraordinary feeling from the very first ride.

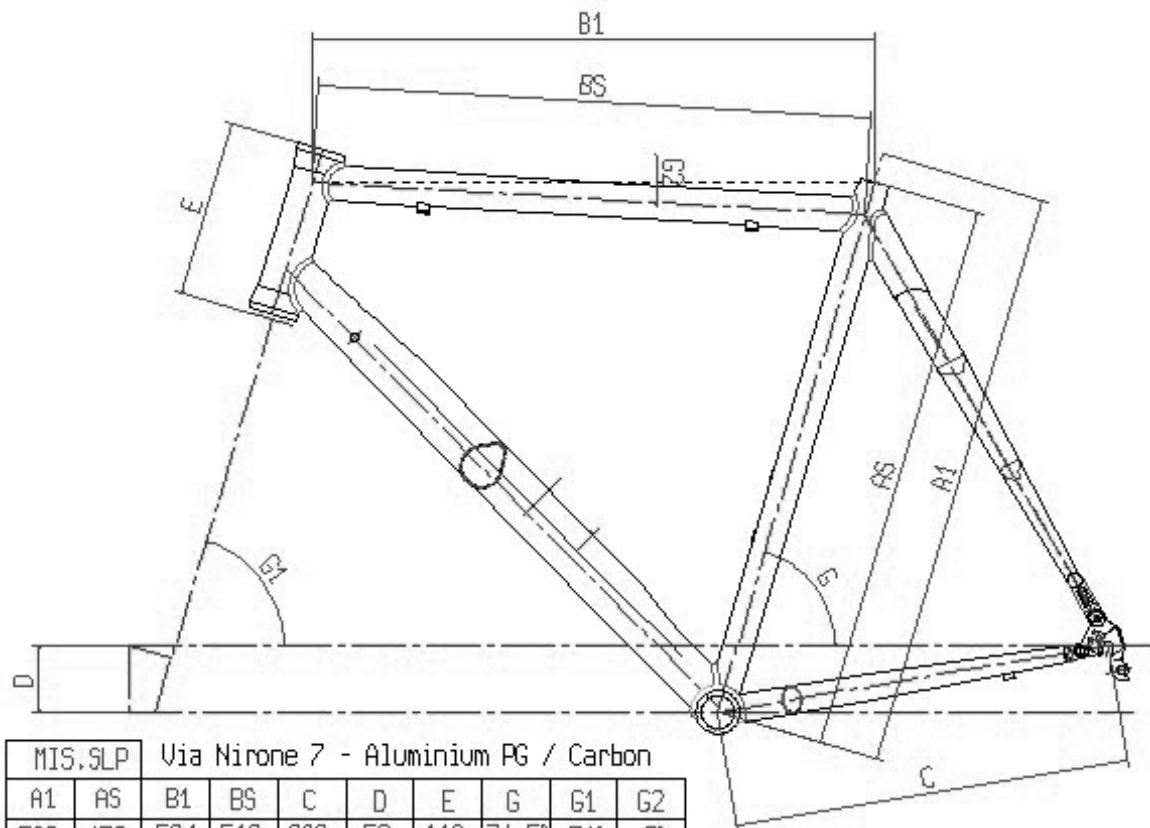

The Via Nirone 7 Alu Carbon bicycle is equipped with new components: the 10sp Mirage group, the new Campagnolo Ultra Torque 10s crankset with integrated BB, the Ergopower™ shifting system with QS™ system, the Escape™ device with aluminium brake levers, and the brand new Khamsin wheels. The frame and state of mind components will make you fall in love immediately with Via Nirone 7 Alu Carbon.

Materials and structure

The revised tube thicknesses give a high performance/weight ratio to this frame constructed from aeronautic grade 7000 series aluminium alloy (with a tensile strength of 450N/mm² and a specific density of 2,7kg/dm³). Double- and triple-buttet tubing have an exclusive design from Bianchi Reparto Corse and carbon Monostay. The smooth TIG welding gives an excellent aesthetic finish, as well as, avoiding extra strain in the most stressed areas of the frame. A special anti-corrosion surface treatment, carried out before painting, ensures long term durability.

Geometry and sizes

MIS.SLP	Via Nirone 7 - Aluminium PG / Carbon

610	580	585	572	419	68	195	72.5°	73.5°	4.5°	

The **Via Nirone 7 Alu Carbon Mirage** is available in six sizes: 50, 53, 55, 57, 59, 61.

Technical specs

MODEL	VIA NIRONE 7 Alu Carbon Mirage 10sp Compact
CODE	Y6B96I
FRAME	Via Nirone aluminium/carbon - alu 7000 triple and double butted
FORK	Bianchi FLN Carbon Alu 11/8"
STEM	ITM VISIA - Light alloy 6061T 3D forged Super Over -80°- 1 1/8" - colour black
HANDLEBAR	ITM VISIA WING Shape diam. 31,8mm - colour black
HEADSET	Fsa ZS4 Alloy
SPACER	Carbon fibre
BRAKES	Campagnolo Mirage™ black
CRANKSET	Campagnolo Mirage™ ULTRA-TORQUE™ 10s 34-50T
BBSET	Integrated in the crankset
REAR DERAILLEUR	Campagnolo Mirage™ 10sp
FRONT DERAILLEUR	Campagnolo Mirage™ CT §35mm
SHIFTERS	Campagnolo Ergopower™ Mirage™ QS™ / Escape™ 10sp
SPROCKET	Campagnolo Mirage™ UD™ 10sp 12-25
WHEELS	KHAMSIN 3G System - 24F/ 27R spokes- only for body Campagnolo - colour Black
TIRE	Continental Ultra Sport 700x23 black
SEATPOST	Bianchi SP-151 §31,4mm
SADDLE	Selle Italia Initiale
PEDALS	no
WATERBOTTLE	Bianchi
BOTTLE CAGE	Aluminium
COLOUR	TP (Team Professional 2006)
SIZE	50-53-55-57-59-61

Technical specs

MODEL	VIA NIRONE 7 Alu Carbon Mirage/Race 10sp Triple
CODE	Y6B97I
FRAME	Via Nirone aluminium/carbon - alu 7000 triple and double butted
FORK	Bianchi FLN Carbon Alu 11/8"
STEM	Bianchi DA-35 3D forged alloy
HANDLEBAR	Itm 330 Super Over
HEADSET	Fsa ZS4 Alloy
SPACER	Carbon fibre
BRAKES	Campagnolo Mirage™ black
CRANKSET	Campagnolo RACE™ Triple 10s 30-42-52T
BBSET	Camapgnolo Mirage 115-68mm
REAR DERAILLEUR	Campagnolo RACE™ 10s rear der. long cage
FRONT DERAILLEUR	Campagnolo RACE™ Triple 10s clip-on ø 35 mm
SHIFTERS	Campagnolo Ergopower™ Mirage™ QS™ / Escape™ 10sp
SPROCKET	Campagnolo Mirage™ UD™ 10sp 12-25
WHEELS	KHAMSIN 3G System - 24F/ 27R spokes- only for body Campagnolo - colour Black
